

## **ELIGIBILITY**

- Abstracts submitted must be original research.
- The scientific committee may reject submissions.
- Authors must disclose any conflict of interest.

## **CONTENT**

Abstract Title (max 200 char): Please enter your abstract title in UPPER CASE (Capital letters). A maximum of 200 characters including spaces is permitted.

## **ABSTRACT AUTHORS**

- Please note that you (the submitting author) will automatically be entered as the presenting author and all correspondence about the abstract submission will be sent to you. You can change the presenting author to another author of the abstract.
- Please enter a maximum of 10 co-authors that were involved in the work of the abstract in the order you wish them to appear.
- Authors names should not be in capital letters.

## **ABSTRACT TEXT (MAX 2000 CHAR)**

- Your abstract should not exceed 2000 characters including spaces and be submitted in a .doc (Word) format.
- Please check your abstract carefully as it will not be edited.
- Please write your abstract using the following IMRAD structure: Introduction, Material and Methods, Results and Discussion/Conclusion if appropriate.
- Abbreviations must be established the first time they are used and then used.
- Please note that only two images, tables or figures, are permitted in your abstract. The required formats for any images are jpeg, tif or gif files (not exceeding 500KB). Any files uploaded in a .doc (Word), .ppt (PowerPoint), .xls (Excel) or any other format not mentioned above, will not be visible.

**Abstracts need to be submitted via email to [bdm@hbio.gr](mailto:bdm@hbio.gr)**
